# ABOUT GRR

GRR 2020-21

Girls Rock Regina (GRR) is a volunteer-based organization whose mission is to amplify and empower the voices of girls, women, trans, Two-Spirit and gender-expansive youth and adults through music creation, collaboration and performance. By providing a safe space for creative expression, we cultivate leadership skills and advocate for an equitable and inclusive society.

At GRR, you'll learn an instrument, form a band, write and record an original song, and perform at a live music venue. In addition to technical training, you'll take part in a number of music and non-music workshops centred on creativity and confidence-building, such as songwriting, image & identity, self-defence, zine-making and more. No musical experience is required!

We value diversity and strive to be as inclusive as possible. Camps usually have very low tuition, sliding scale and/or provide financial aid, and value female mentorship and leadership.

GRR is located on Treaty 4 territory, the original lands of the Cree, Ojibwe(OJIB-WĒ), Saulteaux (SO-TO), Dakota, Nakota, Lakota, and on the homeland of the Métis Nation.

# 2020-21 HIGHLIGHTS

GRR 2020-21

## GRR CAMPS

Due to COVID 19, the last GRR camp was held March 6-8, 2020 right before the lockdown. No camps have been held since. However, we did offer the following virtual events and activities.

## #GRRAD

APRIL 1-30, 2021

Inspired by She Shreds, GRR hosted an online 30-day music challenge asking folks to commit to at least 5 min a day to play an instrument or express themselves creatively and post using the #GRRAD on IG posts, stories and FB.

## SONGWRITING WORKSHOP

MAY 27 & 29, 2021

GRR hosted a 2-part online songwriting workshop with Megan Nash. We had about 20 participants who learned about song structure and collaborated on an original composition.

## GRR GOVERNANCE PLANNING

MAY 2021 - CURRENT

GRR hired Jacq Brasseur Consulting to assist us with board training, chairing meetings, strategic planning and by-laws and incorporation. This is in progress and we're excited to work with Jacq to help us achieve our vision.
